BARS AND CLUBS (All within walking distance of hotel headquarters)

Tootsies: Traditional Honky Tonk, many of the greats have played here

Legends: Traditional Honky Tonk at the start of Broadway. Meet Amanda the star waitress and "Lefty"

Bootleggers: Moonshine Bar with great drinks. Ask for Janet, she loves the cow sale folks

Famous: New bar owned by Dotty West Family on 2nd Ave. Good food and great music

Dierks Bentley's Whiskey Bent. Awesome bands always there and good food

RESTAURANTS AND FOOD

Acme Feed and Seed: Awesome southern food at the old Acme Feed Store and Radio Station

Pancake Pantry: One near Hyatt...incredible breakfast

TIM'S TIPS:

1. Break your bills before hitting the bars. You will be glad you did.
2. There is music all day 10am-2am with set changes every four hours. Many bars have music on 2nd and 3rd floors with great music and less crowded
3. Any nicer restaurants you will need reservations, well in advance....short staffed and big crowds

Enjoy your time in Nashville. Thanks for Coming!
